

CRUSTACEAN TONGS

data sheet

NAME:

Crustacean tongs.

DESCRIPTION:

Long-stemmed tongs with soft branches, suitable for grasping crustaceans in tanks. Lightweight and stainless, made of aluminium and plastic.

QUANTITY AND PACKAGING:

Each tong is individually packaged in a protective plastic bag.

METHOD OF USE:

Use tongs to grasp crustaceans inside the tanks. Do not grab lobsters by the claws to prevent them from breaking; preferably by the thorax or tail.

STORAGE CONDITIONS:

After use, rinse with fresh water and store in a dry place, protected from shocks.
